To: "Henning, Alan" <Henning.Alan@epa.gov>, "allison.castellan@noaa.gov" <allison.castellan@noaa.gov>

I've made some suggested edits in red and strikethrough.

Subject: Draft Power Point presentation

Dave and Allison,

Attached is the latest version of the pp presentation. Allison, I have included many changes based on your recommendations. As always, I would greatly appreciate your thoughts on this. DEQ is going to add some comments regarding the work that is being done to address the outstanding issues. I have left some spaces for them to do so.

Hope you guys have a great weekend.

Alan
